Police Emerald Society of Baltimore, Maryland

PES Members,

I hope that everyone had a wonderful time throughout the holiday season. I am looking forward to 2012 and all the wonderful things we can do to move the PES into a brighter future.

I would like to take this opportunity to thank everyone who voted in the 2011 PES Board of Directors. A wonderful group of individuals were elected and I look forward to working with each one of them and you to continue our efforts of the Police Emerald Society. Prior to being elected, I said that I would reduce our spending; better inform you of events and meetings; increase our membership and increase our fundraising. Since I was sworn into office in December, we have already saved the organization \$1,500 a year by eliminating a costly cell phone. During each quarter throughout the year, newsletters and postcards will be sent out to you informing you of meetings, events and PES business. Monthly e-mails will also be sent out in between the mailings. I have asked Delegate Stern and Associate / Chaplin McCall to bring us in more members. With the help of Mark Bishop, a new membership form and PES brochure have been designed and will be distributed. Beginning next month, a power point presentation has been designed and we have received 30 min to talk at each Baltimore Police academy class. We will reach out to all departments in the area and present this to them as well. Finally, we have already started our first PES fundraiser to be held on January 22nd to raise money for the PES and our charities. This is the first of many to come this year.

In closing, I hope each one of you has a wonderful year, and looking forward to seeing you at an upcoming meeting or event. Should you have any questions, I can be reached at 410-929-0801 or

Thanks!

Reminder:

If you have not yet sent in your 2012, please do so by sending in a 1 or 3 year renewal to
